

The Venture

Dramatically-designed 7 and 11 story buildings by the internationally renowned Arquitectonica of Miami, offers a far more elite lifestyle than most are accustomed to. One that promises amenities glamorous enough to spoil even the most pampered individuals. Flourishing greenery accentuates the relaxing courtyards complete with recreational lap pools, Jacuzzi, private cabanas and meditation lawn. Residents and guests also enjoy a complete fitness center with the latest strength and cardiovascular equipment, theatre-style screening room, multi-purpose club room with billiards and wine storage room. There is also 18,000 square feet of new ground level retail in the building, plus existing dining and shopping in the adjoining plaza.
